Donna was born on May 13, 1956 in Montgomery, AL to Maurice William & Grace Myrrell (Pace) Jackson. She had a wonderful childhood growing up in Millbrook, AL. “ Ms. Beautiful Jackson would pick me and my daughter up to go to church with a big heart and smile! I would love to talk to her. My daughter loved her dearly! We lost touch as my life started moving in a different direction of moving, etc... I was thinking about you and how blessed I was to have you in our lives. I wanted to find you and began looking on Google. My heart sank when I saw that went to heaven without us talking. Thank you for being our Earth Angel Ms. Beautiful Jackson! I can see you smiling, singing and talking about Jesus! I love you dearly!

“ Donna is very special to Ginger and I. We have offered up prayers on her behalf for many months now every morning before heading out to work. When we got to the church building and took a seat we would look over her way and see her sitting there...even during her battle with the terrible disease. That was a HUGE encouragement to us. It was what got us out of the house to meet with the rest of the saints when we were not feeling the best. We'd say to ourselves, "I bet Donna is going to be there." That was all we needed. I also remember going over and gently hugging that little "thing" and asking her how she was doing and her reply was always the same, "You know Russ...no matter what...it's gonna be alright. Everything is gonna be okay." I am going to miss her for a short time and we should all look forward to seeing her again because I know she is with our heavenly Father and that's where I want to be too! How about you?

“ Very sorry for your loss. Donna was a great friend for many, many years. She was the nicest person I think I have ever met. She will be missed by many. I am very thankful for lots of wonderful memories and great times we shared over the years. I am blessed to have called her my friend. God bless you all. Rest in peace my friend and I will see you again one day
