“ I am creating a scrapbook with photos, memories, and anything you have about Sonya, for her soon to be born grandbaby, Avery Young. I am the Great Aunt and am helping put this together for the little grand baby who won't get a chance to know his sweet grand mother first hand. Please send anything you have to me on facebook messenger under Kimberly Lee Brasher-Crowe, or email kbcrowe@benslock.com. We will credit your name and how you are connected to Sonya, so please include it. Sonya is missed and loved by all who knew her and will be missed by those who will never get that precious opportunity.

“ My dear friend - I'm going to miss hearing from you. Though we haven't seen each other in a while, I will never forget you. You were my lunch buddy for Cucos! We always had fun and laughs on our lunch break. There was never a dull moment at work either. I pray for your family as they go through this difficult time. Love you sweet friend!

“ Prayers for your family Sonya as they grieve. For over 20 years you were like a younger sister to me, we had so many adventures together both good & bad. We have always supported each other through difficult times and celebrated together when good things happened. You were one of the best people to work with at the ABC Board because you cared about your job & other people. I hope you are at peace now.....fly high my friend, I love you!
