“ *I'm extending my thoughts, prayers, love and condolences to the family and friends of Mr. Aaron Traywick. I was a volunteer PR and social media administrator for Ascendance Biomedical (appointed by Aaron) and found Aaron's humanity, drive, enthusiasm, high intelligence and humor as unique as it was refreshing. I never met him in person but do miss his presence and hope that you find peace and comfort in knowing how many lives he touched in his brief, but powerful time here. He lived without restraints as we all should. God bless.*

“ *Aaron's enthusiasm for health and life only adds to the irony and tragedy of his death. I hope we can channel our sorrow into redoubling our efforts to improve and extend the lives of ourselves and others.*
