“ *I can't tell you anything about Alice that you don't already know if you have known her for any length of time at all. She never changed from the sweet kind person that you first met. I first met her when she moved from Memphis to luka when she was in the fourth grade up until the day she went to be with our Lord. She never changed. She had a wonderful husband that my husband and I grew to know and love as well. She was the best friend you could ever want and I will see her again one day. Love to all the family. “ Dear Ludlam-Goodson Family, I am so sorry to hear of Alice’s illness and death and just want you all to know how much I loved her and that she will always be my very best friend. Even though we did not see each other very much after we grew up, when we did it was if we were teenagers again. And though distance separated us we knew we were only a phone call away.

Countless hours were spent at each other’s houses and I considered her family my second. They were ALL so special to me and I still make some of her mom’s recipes. We dreamed of what our lives would be like, who we would marry, etc. and I will never forget her excitement after she returned from her nursing school rotation where she met the love of her life. Bobby was indeed that for the REST of her life. Now they are together forever!

I appreciate so much her love for our Lord and for the encouraging words she always shared. I appreciated her kind, sweet spirit that she exhibited her whole life and in all my years I have never met anyone who could come halfway close. She was indeed a remarkable person who we all will miss in our own way. I pray for you all, her remaining family, that you will have peace and comfort in the days ahead.

I am truly thankful for the years I had with her and I am sorry I will not make it to her service but I will have each of you in my thoughts and prayers. May God hold you all in the palm of His hand.

Blessings to you all,
Martha Carol Kitchens Bates
