“ As a new division chief in the Attorney General's Office, we lost our long-time legal assistant to retirement. Then along came Allegra. She brought an energy and creativity to our division we'd never seen before. She quickly became a good friend. Her curiosity and zest for life was infectious, often sharing with me interesting places to visit. Allegra was always prodding me to take more time off work and spend time with my wife, even sending me lists of AL getaways we could do quickly I'd never heard of. One, the blooming of the lilies on the Cahaba River we have yet to get to, but we will, and when we do, we'll say a remembrance for Allegra.

“ This one really hits home for me. Our friendship of over 35 years. I can not even count the Friday evening phone calls just to catch up and talk about old times and just share life stories. I will always wish for one more phone call to share those laughs. My entire family is sick over this, and we will forever hold our memories close to our hearts. -Donald Tatum-

“ *Allegra, I am going to miss you so very much! You lifted me up when I was down. You fed me all the time when you knew I wasn't eating. You never let me win playing UNO. Ding dong ditch was more like ding dong then get behind a bush because we couldn't run that far. You will forever be a part of my memory. Our shenanigans were always the best! Wesley Drive has lost a wonderful person! Girl... I miss you! Love you!*

“ *The biggest heart. The most loyal. The greatest and loudest laugh of all time. There is nobody that loved larger. Loved her people. Her pets. Her friends....and their people and pets. Will forever be one of the most important and special people in my life. Rest in peace - though it is hard for me to picture you actually resting - I hope they have cool hats there. — Amy Bowman*

“ Mark, Cameron, and Kip: I knew your sweet mom through my brothers and my sister. What can I say she was one of a kind and she is going to be missed by all who knew and loved her. She was a very special person and she loved Mark and her sons very much and then when she knew she was going to have a grandbaby it was on then. She loved all kinds of animals I remember that about her and I loved her post of her house at halloween and christmas. Again I offer my prayers to the family during this time. She was a very caring and loving person and I know that she will be missed greatly.

“ The world just got a little dimmer without your beautiful light, Allegra. You were kind, honest, authentic, and full of life! Your laugh was so contagious and I'll forever let it ring in my ears. I'll miss our Friday night calls. Thank you for being there for me during some of my toughest times. I will hold you in my heart for eternity. “ Words are difficult. Allegra was one of my first adult friendships
when we started working together in 1999. She took me (and many
others) under her legal wing and taught me all the ropes of law
firms. That mentorship soon became a true friendship. Allegra and I
have many, many years of memories together from days at work to
drinks after work, to some of the best meals at her house and back
porch sitting and talking. She was a constant in my life from the day
we met. If you were blessed enough to know Allegra, you know how
special she truly was. You will be missed, my friend. Kip, my
goodness did she love you! Mark, what a gift you were to Allegra.
She loved deeply and would tell me every time we spoke.

“ No matter time or distance, if one of us called the other would be there. I'm going to miss you so much! It would take me forever to list my favorite memories because there are so many. Thinking back over the last almost 35 years, I realize I have never been happier for you than the day Kip was born, and when you got married...if anyone deserved that happily ever after, it was you my friend, I'm so glad you got that. The world will never be the same without your giant personality, your laughter, your kindness, your quirkiness and creativity. My heart goes out to Kip, Bob, Mark and Cameron. You and the babies were her life, and nothing made her happier than taking care of you and bringing everyone together. Thinking of you, and praying hard that you find peace and strength to get through all the days that seem impossible.

“ I knew her as "Cipi." I worked with Cipi many years ago at a law firm in Wetumpka, and another firm in Montgomery. Then we both were able to work together again at the Attorney General's Office for a short time. Cipi was a great person, full of life, a free spirit, and very loving to everyone she encountered. She was an inspiration to many, and I know she will be missed by her family and friends. I am sending many sweet thoughts of Cipi and continuous prayers to her family and friends. “ I came to know Allegra over the last 4 years at the Attorney General's Office. Although I was her supervisor, I viewed her as an equal colleague. I was able to trust and rely upon her counsel and guidance. She was highly motivated and always willing to volunteer for new tasks to accomplish the mission of the Office.

Over those years, I learned that Allegra beloved her family, always eager to share the details of family events and their accomplishments. She loved that grand baby more than life.

I also learned that Allegra had a love of animals of all kinds, dogs, cats, even insects. All of God's creatures were precious to her. I recall her finding an injured bird on the sidewalk in front of the Office. Allegra came in the Office, somehow found a shoe box, and retrieved the bird. She took off the rest of the day to transport the bird to a shelter in Birmingham where the bird could be nursed back to health. I will never forget her joy when, a few weeks later, she received a card from the shelter informing her that the bird had recovered and been released into the wild.

Allegra and I both loved the music of Stevie Nicks. Allegra was a seven wonder and made a path to the rainbow's end. She will be missed by so many. I am better for having known her and something less now that she is gone.

“ May God give your family, peace, and comfort only he can give. I thank God that I was able to know Allegra. The old saying “ to know them is to love them”, is true in you my friend!
I enjoyed her great laughter, your love of flowers and your many talents. But, most of all her great smile.
You will be greatly missed.
I thank the Lord for the memories I’ll have of you as a coworker and as a friend.
Rest in peace, my friend, Doris Hancock
