“ *My favorite memory of my dad was fishing with him, me, my Grandpa Rich, and my Uncle Elsworth. We were fishing on the boat and he just pulled off his shirt and jumped in the middle of the lake to cool off. My Grandpa and Uncle were so startled, but I thought it was pretty funny. He was always kind of a daredevil.*

My deepest condolences go out to all of his family and friends. I wish that I had pushed harder to reconcile our relationship before his passing. I hope he is at peace now.
