“ I literally just found out about this. I'm so very sorry for the loss of one amazingly beautiful, funny and truly caring angel of a woman. I first met Michelle almost 20 years ago and she was the best friend that anyone could ever hope to be blessed with. My heart goes out to her children, her husband and to anyone who was gifted with her presence. I love you Michelle. Fly high beautiful.

“ Tommy and I went to see Michelle and Jeremy in the hospital and it happened to be on a day when she was having a good day. She wanted some bbq and pickles of all things..so we took them some bbq and pickles and she was so happy. We sat around and joked and cut up for hours. I'll never forget how happy she was that day. I'm glad we could make her happy. We love her and miss her terribly. Fly high beautiful angel.
