“ So saddened by Ann passing away. I have known the whole family thru my sister Julie who was married to Ed , Ann's brother. I was good friends with Alan, and Kenny and Ms Pace. Ms Pace taught me how to make biscuits...I lived across the street from them before I moved to Florida in 1980. Most of the kids came to my yard to play, this was when Ann and Frank were married, and Kristy was little! Melissa and Jennifer and Ashley were all babies...we used to go shoot pool at the Paces house! I shared many conversations with Ann and Frank and Alan, Ed and Kenny, and James used to come over and play with my son Kelley.  
It just doesn't seem possible that we are all grown up and most of the Pace family has passed away. I was just so saddened by Ann passing away, may she rest in peace and walk among the stars and clouds with her family who lives in heaven. Ann will be missed by many...friends and family.God be with her family in this time of grief.
