“ Beverly and John, I am so sorry to hear about Anne's death. I have thought about her and your dad over the years so many times, as I have so many of our friends from GA. Just wanted you to know she and your dad were always good friends to us, and I will always think of them as such good people. I had heard that your dad had passed, and prayed for Anne many times. We will be praying for both of you as you go through these days that will be sad as you put you lives back together without your mom. GOD will always be there by your side to help you make it through. We love you, and treasure our memories of our time with you.
