“ *Pearl what time we had together will always be with me. I remember when Margaret, and I were going to the store, and I shot your Mama's door, and her key was of course in her house. Margaret called you to bring your key so we could get back into the house. Pearl, I know you are at peace now, and with your family in heaven. Peace and love to your family still on earth. You will always be missed, and loved. Jerri Mcneer.*
