“ I wish I knew about this, Tony was my step brother and a very good friend, he always made me laugh. I love you and miss you 😭

“ I met Tony in 2002 at the Nautique Dealership in Montgomery. Tony was one those guys that just exuded quiet confidence. No one else has worked on my boat since I met him. Whenever we talked or saw each other I so enjoyed my time with him. Tony and I talked boats, cars, and airplanes. I miss him coming up to Lake Martin sharing stories and servicing my ski boat. There has never been anyone I have met that has the expertise and technical knowledge Tony had. I will miss spending time with you my friend. Fair winds and following seas. Mike Davis

I'm sorry for your loss. Tony worked on my boat at lake martin for the last 20 years. He came twice a year to summarize and winterize it. Always very helpful any time I called. Great guy and he will be missed.
