“ I have known Anthony since he was a small boy I have been his mother’s friend about 55 years. When he went to school in a taxi cab and loved riding in my 16 year old daughter’s red corvette. He loved the farm and all of his animals especially cows and dogs. He wanted to try to learn how to play pool so I took him to my friend Sam’s store which he had a pool table and he loved playing he did pretty good.

Anthony use to talk to me and tell me all his problems he always called me with anything and everything seeking answers and he would listen to my advice.but after he got to where he couldn’t farm he became quite and not talkative at all. He seemed withdrawn for some reason and wouldn’t confide in me like he use to. Anthony you are truly missed and loved .

So sorry you had to get the dreadful Parkinson I will still do all I can for your Mom. RIP MY FRIEND. Edna Berdeaux xxxx that would make your face turn red if I hugged you or told you I loved U.
