“ *To the family and friends of Toni. I am so very sorry about her passing. She was such a wonderful person, so genuine. I worked at Rosemont Gardens for years with her. She was such a joy to be around and to work for. Jenna you know how much I love your grandmother, and you. I pray that God will wrap his arms around you all during this terribly sad time.*

*God bless you all

“ *One of my best memories of Toni was when she was busy on the telephone with someone at Rosemont, you were never sure if it were a customer or a family member because when she would finish the call she would always say I love you, too. So, you had to know that everyone that knew Toni loved her.*
