“ Barbara Ann and I have been best friends since the 2nd grade. We had a special love for each other including our children. Last Christmas she gave me a bracelet saying we may not be blood but we are close as sisters. We always had a fun time just being together. Her Dad and mine taught us how to dance. So it didn't matter which house we were staying at (hers or mine) each weekend, we had a dancing party. We were from the generation of the huge hair rollers, so we always slept with our heads hanging off the bed. Bet she would get a good laugh on that memory. Now Heaven has a special Angel, she will be sorely missed by me.

Rest now my friend, no more pain, you are whole again. Linda Stephens Tillery
