“ *We are so sorry to hear of your mom's passing. She will be missed and we have such sweet memories of her when she visited in the Georgia area. The wonderful consolation and certainty for us as children of God is that she is with our Lord and we will see her again. You are in our thoughts and prayers as you go through this period of saying goodbye, but oh that great "gettin' up morning" that's coming. Praise God. You are loved as she is loved.*
