“ *Betty and I first met at Gunter AFS (now Maxwell AFB, Gunter Annex) many years ago when we were selected as a group of ladies to participate in an Upward Mobility Program. She, Carol Tidmore, Helen Gwaltney, and I soon became close friends. Betty had such an infectious smile/laugh. In 2017 I was diagnosed with breast cancer. It wasn't long before I received a package in the mail - you guessed it - it was one of Betty's creations, a throw blanket. I cherished it then and will continue to enjoy it for many, many years. To Charlie and the children, other family, and friends, my prayers and thoughts will be with you for many days to come. I will miss you, my sweet friend! Betty H. Campbell*
