“ Hey Granny!! I miss you every day and I wish that I had more time with you to let you know how much you meant to me. The moments spent with you will forever be the most precious times that no one can take from me. I miss your smile and your feistiness. You know you were a fireball in a little package. I know you are my guardian angel and looking over me. I love you and forever will love you. Love Davetta

“ Hi mom, we miss your smile, your laughter and your free-flowing ways. I did just what you told me to do... and that's "LIVE!" I miss our random talks and taking you to the doctor, but God has you and HE's taking care of you now. Continue to Rest with the Angels and I know you're "BOSSING" Auntie Rose right now as we speak. I love you and carry you with me every single day! Your One and Only Daughter....State! I Love You Sunshine!
