“ Hey maw-maw I miss you soooooooooooooo much! I just know mama was there waiting on you. I remember when I used to stay with you every time memaw and Uncle Ray went to the grocery store, and you always told me to never cut my hair. We would watch TV, play hide-and-seek, and you would sing to me. You always told me to go get the orange so we could roll it back and forth. You taught me how to tell time on a clock and how to blow a bubble. Sometimes I cook toast, and when I do, I fix it just how you taught me to. I miss you very much and I love you.
