In memory of Carl Paul Kuykendall

It is always sad saying goodbye to someone that we love and cherish. It is with a heavy heart that we have to say our final farewell to our beloved Carl Kuykendall.

Carl was born on November 22, 1937 to Curtis Calvin Kuykendall and Virginia Vacie Franks Kuykendall and passed away on Saturday May 1, 2021. Carl fondly known as “Kirk” to his close friends, served in the United States Air Force for eight years and he was a contractor for Lear Aircraft in Southeast Asia for many years. Over the past 46 years he was the General Manager at Montgomery Aviation. He lived an extremely adventurous life, traveled all over the world and is going to be greatly missed.

Carl is preceded in death by his parents, his late wife Dawn Virginia Kuykendall, and his grandson Joseph Aaron Savignano. He is survived by his wife Linda Payne Kuykendall, his daughter Michaeila Kuykendall (Gary McGee), step-daughters Nicole Aaron, and Nakia (Pete) Gelsinger, two step-grandchildren, Ariana (Joey) Friday, and Chase Gelsinger, his brother, Richard Hesler, and sisters, Cherie (Mike) McGriff and Patti Lenox and his most loved Aunt Mildred “Pete” Newsom, several nieces and nephews.

“ *Sending my condolences to you all for the loss of Uncle Carl. He was such a good man and was always kind to me. I would like to think he has already found my Dad and they are sitting down and having some coffee together. Rest in paradise, Uncle Carl*

“ Carl was one of the most amazing men I have had the pleasure of working with during my time at Montgomery Aviation. He was a fair man that respected hard work, honesty, and routine. He loved his toilet paper (always said you could tell how well a place is run based on the quality of their toilet paper), family, Mexico, and spicy food. He will be remembered and missed by all that met and knew him.

“ I will forever hold such great memories of My Uncle Carl. One memory that will always stay in my mind and make me smile was when I went to spend a few weeks at their home when I was about 13 and my cousin and I went to the zoo and then went to Seagrove Villas Florida for a long visit and my Uncle Carl and I went out on the float and talked so much we didn't realize how far we were out and I got burnt pretty bad but that didn't matter because I was spending time with him. I Love you and will miss you terribly. Love your Niece Paula Richards

“ Carl, I am going to miss you! It is so hard to say goodbye. I loved our weekly calls and when you called me (Auntie Mame!). You were more like a brother & we shared a lot of our life together (I was there when you were born). I was always looking forward to our next phone call. I will miss our conversations when we talked about what was going on in our lives, but most of all, I'm going to miss it when you said goodbye Aunt Pete, I love you 🙏

“ Niesa and I send our love and prayers to all of our family and friends at this time. I am going to miss my big brother tremendously. Besides being a wonderful brother, he was also a really good friend (amigo). He was always there for me when I needed him and I looked up to and admired him so very much. I loved the times we spent together and talked and laughed (he always had the best bar) and I loved to listen to his stories of all the places he had been and all the wonderful and interesting people he had met overseas in his travels and here in the states. He lived a wonderful life! It is so very hard to say goodbye to my big brother, so Carl, I'm just gonna say adios Amigo, talk to ya later, and I love you!

“ My memories have always been going to Uncle Carl & Aunt Dawns house and BBQing and swimming. Then when I was at the MEP Station to go to Air Force boot camp, Uncle Carl came and picked me up and brought me to his house to have dinner and then he and I sat in his bar and had a beer and talked man to man. I love & will miss you Uncle Carl.

Carl “Colonel Klink”, as we knew him at Montgomery Aviation, was “one of a kind”...God threw away the mold when he made Carl. He used to entertain me by the hour telling of his humble beginning while living in a boxcar as a child to tales of his time in Vietnam. I always wished that he would write an autobiography and he started on it but never finished. (he said nobody would believe it anyway!) We will miss him, for sure!
