“ John and I extend our sympathy to the Doucet family. Our memories of great times with Carol are unlimited. We traveled together, spent time on Lake Martin together, and spent many Saturdays at Auburn football games tailgating and eating way too much. Special memories from all our times together will remain with us forever.

“ *“I'm heartbroken to hear of Carol's passing. So many memories from my childhood of the group of friends. I remember one of the summers when we all went to Hampton Beach for a week. I got to ride there with Carol in a convertible! She was such a wonderful person. I remember when she was dating Dick. This is such a loss for all who knew and loved her. May God grant comfort to Carol's family.*
