“ *Cecil was a wonderful man. Though reserved in his emotions, he was kind, considerate and loving. He had the highest calibre of work ethics of anyone that I know, sometimes holding two jobs. He gave 42 years of his life to this country. He served on active duty for 20 years, 3 months and another 22 in civil service. He loved and cared for many pets over his years, but he especially loved his cats. He raise two kids, one biologically and the other adopted at 11 days old. His favorite enjoyments, besides his kids and cats, was his love for woodworking and automobiles. I would have to say of his many years on this Earth, he really shined in his 70s. He became more compassionate towards humanity, his growth in his love for God, and his increased love and appreciation for his kids. As his health deteriorated, he would often look back on his life. He missed his wife of 51 years, his younger and only brother had passed. And he knew his kids and grandchildren would be fine. He had completed God's plan. He left this earth better than he found it.*

Well said about your dad Chris. i worked with Cecil on Gunter from 1990 to 1996 when he retired. He took time always to explain computers and coding almost every day. I am so sorry for your loss and he will be greatly missed. I just learned of his passing. Take care. Steven Sanson
