“ Cedrick was an amazing man, father and friend. Over the past 13 years he became my Protector, my sounding board and he was 'daddy' to 'his boys'. I'm honored to have had the privilege of being his friend and he will truly be missed by all that knew him.

Dear Family,

I am so sorry for your loss. I am lifting each of you up in Prayer. I am Praying for God to give you peace, comfort and understanding.

I didn't know Cedrick personally, only when he called our office to ask a question. He was always so friendly, nice and patient. He wasn't just a client, he was our family! He will definitely be missed.

"Wherever a beautiful soul has been, there is a trail of beautiful memories."

*Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush
Of beautiful birds in circling flight,
I am the star-shine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.*

“ Ced was my forever friend.... we talked about many, many things. Church, family, you name it. He was a shoulder to cry on, he was a very, very good listener and would always give me his honest opinion about whatever I said to him. Whether it was good or bad I was going to get it, He would say "Shunda I am just gonna tell you like this"..... He was truly my brother from another mother. I am going to miss fussing, talking and praying with him. Heaven has truly gained an Angel.....
