“ I met Bill shortly after we moved to Freeport 33 years ago. He came to work with me at Classic Cast, and we worked together 15 years of my 21 years in business. We created years of architectural concrete products together, and enjoyed every minute of it. Since closing down in 2014 we always stayed in touch, and got together when we could. Bill was one of my true best friends, and I will dearly miss him. Go rest high my brother
