

Mr. Charles H. "Chuck" Futrell

April 25, 2026

It is with deep sadness that we announce the passing of Charles H. "Chuck" Futrell, 77, of Deatsville, Alabama, who went home to be with the Lord on April 25, 2026. Chuck was born on September 8, 1948, in Murray, Kentucky and lived a life marked by service, devotion, and quiet strength. Chuck proudly served his country in the United States Army, retiring after 20 years of honorable service. A devoted husband, father, and friend, he was known for his steady presence, practical wisdom, and willingness to help anyone in need. He loved camping and fishing, finding peace in the outdoors and joy in simple times spent with those he loved. Gifted with a remarkable mechanical mind, Chuck could fix just about anything, often becoming the person family and friends turned to when something was broken—whether it was a piece of equipment or a problem that needed a calm, thoughtful solution. Those who knew him will remember his wise counsel.

Chuck is survived by his loving wife, Linda Futrell; his son, Dr. Charles Futrell, of Owensboro, Kentucky; and daughter Lizzie Wilbeck and Chris of Millbrook, Alabama; grandchildren Jonathan Wilbeck (Karey), Abigail Wilbeck, and Sophia Wilbeck, of Millbrook, Alabama; Caitlynn Futrell, and Ian Futrell, of Owensboro, Kentucky; and sister Diann Sanders of Valrico, Florida. He will be deeply missed by all who had the privilege of knowing and loving him. A Celebration of Life service be will in Kentucky at a later date.

“ Chuck, you were the best brother-in-law a family could have. Fond memories of being back at Mama’s, all the siblings gathered, sitting around the fire, laughing and talking. Wonderful memories! Rest easy, dear friend, you’ve earned it.

“ What can I say about this beautiful wonderful man. Our families met in 1980 and remained friends, we camped together, fished and even partied a little. When my husband passed away Chuck and Linda were there. A friend like Chuck is very hard to find. Chuck will ever have a special place in my heart. ❤️
