“ *I love you Daddy. I miss you so much. You have always been my best friend. I could talk to you about everything. You never judged me.....just told me the things I needed to know. Until we see each other again, please know you are missed dearly.*

“ *Going to miss you so much Pawpaw! Thank you for all the wonderful advice and life long lessons you taught me! I'll always look back on our shared love of Maine and Dachshunds with love and it will always make me think of you! We all may be sad and will always miss you but I know we will meet again and I can't wait to see all of my family waiting at Heavens gates to welcome me home! Give my mom a hug and kiss for me!*

“ Charles, tho you were the eldest of cousins, I still have fond memories of the earth years in Bucksport, Maine. The 4th of July gatherings at Toddy. Then visiting you and family in Danbury, Ct. where you were old enough to go to New York and have a beer!!  
Rest In Peace dear cousin

“ I have 36 wonderful years of memories. Chuck you were my knight in shining armor rushing in on a white steed to save me when I was in need. You were always there to love and comfort me, my rock, to share the good and the bad. We went through life together, never forgetting who we were and what God intended for us to be. You were devoted to me, your family, your fellow man and your country. You have left memories with those whose lives you touched.

*I will love you " forever and always" as I know your love will carry me "forever and always."*

*Loving wife, Pat*
