“ Today I especially thank God for letting me know Chris Kelser. It was a privilege to work with him at Continental Eagle, play golf with him, and to simply know him as a friend. Even though Chris was twelve years younger than I he was still a positive influence and encourager for me.

Sandy and family, you have deepest heartfelt sympathy from Jo Ann and me.

“ *Our deepest condolences to the entire extended Kelser family, I lived right next door to Chris in Elyria. We grew up playing sports and backyard games together. We were in each other's weddings , he as my best man. So sad to know I will not see him again but will forever hold on to some great memories.*
