“ *Over thirty years ago when I first met Claudia, what struck me was the pure joy that came from her heart when she held our daughter Jessamy. Char, Claudia's niece and I were new parents. Claudia was just happy for us...for her niece. She knew that being a mom was a joy...raising boys. And she was holding her niece's baby girl...Claudia had the biggest smile that day! Family...cherish each other. Daniel Alto*

“ Claudia was a great person to work with. She was a volunteer at the Republican Headquarters in Montgomery when we were in 2016. Enjoyed all of our conversations. So sad to hear this. God bless you all.

“ I'm so very glad I had the opportunity to talk with her in the past couple years! We shared old stories and political insights! Was hoping to get together with our families so sad our time ran out before! Condolences and prayers for everyone!

I'm so sorry to hear about Claudia. I didn't know there was anything going on with her. I read her comments and what she posts but never heard about her being ill. So quite a shock to see this today. I'm thinking about all of you. Sending my love and prayers to you. When someone gets a chance please let me know what happened if you can

Claudia was one of my first band members and chorus member. She loved music and loved being involved. She was never shy or bashful and always was a leader. Over the 62 years since then she always kept me informed and connected to New England, North Dakota, and faith. Thank you, Claudia.
