“ Cricket I have a lot of memories of us in middle school at Capital Heights. You will be missed by sooooo many. Your smile was so sweet just don't make you mad, then better watch out. You were small and feisty. I will always remember you .

“ Cricket was always the little ray of sunshine in the nuclear department, even when she was grumpy she managed to make you smile or laugh. She loved her family dearly and often talked about her grandchildren, always showing a picture or telling a sweet story. I hope they can grow up knowing how much she adored them. We will miss you, Cricket.
