“ *Cody had a massive impact on my life since we met around 2014. He introduced me to so many awesome people, many of whom I still am friends with today. He showed me his favorite bands and artists, and they've been some of my favorite ever since. We would often sit and talk about music we liked, the video games we were into, and all the other interests we shared. And when things weren't going well, we would share our problems and just talk about it. Cody always held great conversation. My life would not be near the same if I had never met Cody. His impact on me was greater than I think he ever understood, and I will be forever thankful that he was a part of my life for so many years. Thank you for that, Cody. I'll keep the memories close. Miss you brother. Rest easy*
