“ *My heart leaped when I heard that my little friend had departed this life. He was such a kind spirit. He would greet you with such care that you would wait until he could get to you, because you could feel his kindness in every minute that he touched your vehicle. His talent made room for him; he was the best at what he did. His kindness will never be forgotten. The welcome feeling, he gave will be missed. "He" will be missed, he has made a lasting impression on his community of Millbrook, as the man that cared about people and one that was very good at Courtney's Car Detail Business. The Lord has given him lasting rest.*

“ *Angie Gray & Family, When I first met you as a little boy you had a smile on your face every time I would see you, you would look at me with that same little shy smile you were such a respectful child. And you grew into a respectful man. You hit my mind about a couple of weeks ago, so I asked my cousin Jimmy Dequan, what old Courtney doing when he told me you were sick, I didn't want to believe it. Rest up smiles praying for the Gladys Williams & family. Gone to soon*
