“ Our thoughts and prayers are with you, Stacey, and your family. I enjoyed talking with Curt over the years. He was always concerned for other people and their well-being and their families. He was there when my mom, Janet, passed away. He was also there for us when Grandma Roberta passed away a few years ago. He always spoke with conviction about his country and serving for them and being from Indiana. He was a Proud American. I will miss our talks because he was always so informative of the past. I believe he is in a better place now with mom and grandmother and the rest of the Hoosier family. We will miss him! We thank God for Curtus Pruitt Jr. and his life and his time with all of us! God Bless Curt and God Bless you and your family! We love you, Greg, Natalie, and Cheryl and family.

“ Our thoughts and prayers go out to you and your family, Stacey! We know it is a difficult time. I was able to speak to Curt over the years and he was always concerned about every one and their families and well-being. He was also very proud to be an American and a serviceman. And, by the way, proud of his roots from Indiana. I will miss talking to him and learning from him about the old days. I do believe he is in a better place with Janet and Roberta and many other Hoosiers. God Bless Curt and god bless you and your family!

“*Sad to learn of Curt's passing. Please know that our sincere condolences and prayers are with the entire family. Having lost my father, Edwin John Pruitt recently, I know how difficult this time is for you. I also know my father enjoyed staying in touch and speaking with Curtus over the years. They were two dear souls indeed. May the Lord comfort you. Edwin (Eddie) James Pruitt and Family.*
