“ *I always looked forward to seeing Cynthia on our visits in Alabama. She and Leigh Anne would come over to Butler and we would sit and laugh as she and Betty reminisced and caught up since their last visit. I always got a kick out of Cynthia telling some stunt Devon had pulled on her. She would laugh telling it as much as we would hearing it! I am very sorry her family will miss her presence. No doubt that Devon is excited to have has his heart throb again. Love you all.
