“ When I first met the Albrights they lived next door to the Church building.I always enjoyed visiting with them accross the fence.Now that they have joined our Church family and we have been blessed to be able to worship and serve with them it has been great.Danial has gone own and we will all miss him but he is in a much better place.Our love and prayers go out to the family but I look forward to being with him and our Lord Jesus.Marshall Reese
