“ *Dan was a great friend. He was always so caring and sweet. When my husband went to be with the Lord in February, let's talk about it. He said I miss you and love it when you can come to church, always gave me a hug. He walked the walk and talked the talk. He was a fine man and I will, truly miss him. I hope that you and my husband Dennis are having a hallelujah shouting time around the throne. I am truly jealous . I will miss you my buddy. Love you always. Rhonda Glass*
