“ I always loved seeing Danny and hearing about his tales of working out West. He was a hard-working, honorable man who has loved and respected by everyone who knew him. I'm praying for Miss Tammy and everyone else who loved Danny.

I remember going to the lake he swam across the lake the day before he got married. I remember saying man don't do that you might not make it, but he did. A great guy all round.

Love and Blessings to you all during this time of loss. So grateful for the extra years God gave Danny after his accident. We will certainly miss him and the great animated stories he would tell.
