“ *And Now We Say Goodbye*

*Great sadness fills our hearts today  
as pipes and drums, in slow march play.  
A comrade's fallen by the way,  
And now we say goodbye.*

*This hero to the very end  
Was more than just a casual friend,  
Who would a stranger's life defend,  
And now we say goodbye*

*But we shall cherish, all our days,  
The character this life portrayed  
With sacrifice so freely made,  
And now we say goodbye.*

*The hand salute, o'er Stars and Stripes,  
And distant skirl of highland pipes,  
Give last farewell with hero's rights,  
And now we say goodbye.*

*While here on Earth, you gave your best.  
Now in the Master's arms you rest.  
T'is by your memory we are blessed.  
And now we say goodbye.*
