“ I hate to hear about David or as I called him Diamond Dave. I called him that because he was truly a Diamond one of a kind. David had a heart of gold and way about him that no one could resist. I'm going to miss him very much. Praying God will give comfort to all.

“ I was truly saddened to hear about this. I served many years with Jr in the 908th Airlift Wing. We were on the crew that won the Best C130 Airlift Crew in the World at the Airlift Rodeo in 1987. We were also in the same element when the 357th Airlift Squadron was deployed in the 1st Gulf War. Many other wars and deployments followed. The times and memories we shared are special. Jr was special and always brightened the room when he walked in. He will be truly missed. Rest in Peace brother, your work on this earth is done. Until we meet again.
