“ Uncle David, as he was known to us, was a very special man. He was warm and funny and his heart was as big as all outdoors - which is where he wanted to be most of the time! He was a very hard working man who would happily give you the shirt off his back if you asked him. He welcomed me into the family like I was one of his own and I've always felt privileged to know such a fine man. The Good Lord has some mighty fine company up there, that's for sure. He will forever be missed, but will always live in our hearts. We love you Uncle David.
