

## Ms. Dawn Marie Clayton

May 29, 2016

Dawn Marie Clayton, aged 45, passed away peacefully on May 29, 2016 at her home in Elmore, Alabama after a 16 month courageous battle with cancer. Dawn's work here on earth is now finished, as she received a call from above for a position in which she couldn't refuse. The position comes with a sign-on bonus, a reunion with family and friends she has not seen in a long time, and complete job security. Her new mission takes her to a wonderful place where she will be socializing, dancing, teaching, learning, and watching everyone to her heart's content. Music, beaches, loud trucks, laughter, and love are guaranteed. Not to mention, the food is delicious and you never gain an ounce. She left instructions for her husband, children, and loved ones to celebrate her mission here, which has now been completed. We want to let her know that she did a wonderful job and wish her a safe journey. We will remember her smile, her warmth, her energy, her love for life, family, friends, and community. She worked very hard all her life and made a difference in the lives of many. Her legacy and beautiful life will forever be cherished and reflected in the lives of her children, her pride and joy, and through the lives of those she touched.

Dawn lived through the philosophy that it was better to give than receive; giving to her children, husband, family, friends, and community all before herself. Throughout her life she took in people who needed help when she had so little. She loved being there for others and making their lives easier. This is where she received her greatest joy. Dawn is predeceased by her

father, Arthur Leslie Paulson and is survived by: her mother, Susan Ann Byrnes; her children, Levi Stewart Byczek, Casey Ann Byczek, and Randy William Byczek; her husband, David Lee Clayton; stepchildren, Damon Foster Clayton and Devinn Alyssa Clayton; her siblings, James Michael Paulson, Travis Alfred Kircher, and Charlene Elizabeth Carver; her niece, Madison Elizabeth Carver; her nephew, Kaden Zane Carver; and a number of other relatives and close friends.
