“ *My childhood memories are of cousins, cousins, and more cousins. Debbie was the queen. Her quiet beauty captivated me from the time I was small, and she taught me so much about how to be your own self without getting in trouble doing it. :-)*

I treasure every little message I had from her over the last few years, and I hope you all NEVER take her Facebook page down! Being able to send her a message on her birthday will mean a lot to me. :-)

Love you always, my "big sister by choice"!!
