“ Mandy and Perry and family I wanted to say how sorry I was to hear about Debbie passing away! We have known each other since you and Misty were in school together. Your dad and I went to school together and he and your mom were a match made in Heaven I always thought. I haven't seen any of them other than Facebook pictures in quite a while but I truly am saddened about this but we know your mom is no longer suffering. Not sure what was wrong and I don't Need to know. Just please know you are in our prayers and please give your dad a big hug and tell hi mom that was from an old friend. God blesss you during this time! The searcy's!
