“ My momma was truly the most multifaceted woman I know. She touched the lives of many and would give the shirt off of her back. She leaves a hole in me that could never be filled, but she gave me so many gems in my lifetime that I will be rich forever. Momma I love you so much and I will miss you forever. I don't know what a world with you is gonna look like, but just know that I'll always hear your voice guiding, reassuring, and correcting me, just as I always have. And to my momma I say this: WELL DONE. Your kids have it now.
