“ *My cousin, Denise has always been so sweet and loving. The best memory that I have growing up with her, is that she would take all of us kids during church and teach us in a fun way, about Christ and what it means to be saved. I'll miss playing the drums on stage and listening to her hit those high notes! She had a beautiful voice. I am sorry for yet another loss to my Pynes family. She is in no more pain. She is dancing and singing and laughing, I'm sure, with all of the other Angels! God bless her sisters, mom, husband, nephews, cousins, aunts, friends, and anyone else involved. Rest in Heaven, Denise. Love you always ... BJ*

“ *From our mom's taking all us kids to Mortar Creek to being able to sing a duet at my brothers wedding with you, Denice...many years were lived in between and long after! These are the precious memories I hold close to my heart! Much Love to you Paulette and the entire family during what is the hardest moments of life. And as Denice would attest...our God is stronger than our pain! ❤️*

“Denise was so beautiful inside and out in every way. She had a heart gold and a beautiful voice that was always spreading the gospel to anyone she could. She always knew exactly what to say when you needed your spirit lifted up. She was like a angel on earth. I will forever miss her beautiful smile and voice. We used to see each other almost every day at work and she would always bring a smile to my face. I haven't seen her since Halloween. I was so glad to see her out and about with the kids. I told her I loved her and she of course said the same cause she never missed a moment to spread love to everyone she met. She will be greatly missed by so many of us, she was always apart of our family. She was such a precious lady and I know she is singing up in heaven now next to her daddy. Rest in peace sweet Denise, until we meet again. 😊
