“ I am the grandmother of Taylor Carson and I just want you all to know that I met Clay here at my home a few years ago and I was just amazed at his sweet personality and his manors! I was truly impressed with him and have thought about him often. I am so deeply sorry for the pain and sadness that you are going through. If I could do anything at all to ease your pain, I would!

We all loved Clay and we will never forget him!
