“ *Diane was a beautiful, precious, and special person. Always smiling and always treating us as if we were family. In fact we consider her family our family and are so thankful for this. The times we were able to spend with Diane were always special. She always had us laughing and enjoying our time! We are saddened that she has left so early but are praising God that she is now cancer free and at peace. We know she will forever be smiling down and watching over her family and friends. Prayers for the family as they navigate this next chapter in their life that they will have strength, courage, and peace that only God can give! We love you all! The Payne's*
