“ *A quick note to Don's family ... I just heard about Don's passing from a friend this morning and my heart breaks for you guys. As the photographer for the Auburn University Marching Band, Don (and Tricia) were the only ones I would let print any of my pictures. And over the past 10-15 years we developed a really special friendship that I still treasure to this day. Please know that my prayers are with you as you go thru this difficult time! Thanks for sharing him with me!*
