“ I learned of Don's passing while looking for information on our high school class reunion. Don was my best friend all through high school and we were in the same youth group at church. I ran into Don several times over the years we served in the Air Force and it was like we saw each other the day before. That's the kind of friend he was and I will miss him. Rob, Leslie, Linda, Amy, and the rest of the family I mourn for your loss.
