“ *Prayers lifted for Ray's family and friends. All will miss him. I will remember Ray for his big heart, love of fishing and love of Alabama football. I have to share that I have never met a man who had as much stuff in his shop and had the knowl edge to use every piece of it.*

Ray you are already missed, and we will see you again. God's speed.

“ Sorry for Your Loss! We meet Mr Ray looking at his home in Millbrook. We bought it and still finding things that belonged to him. Praying for God’s Healing and Peace for the Family. He was well known in his community and he was always willing to help a neighbor or friend. Several comments were before local hardware stores moved close Mr Ray was a place to go; he had something of everything. God’s Blessing on His Memories!
