*“Don was a true long-time friend of over 40 years. He loved and served his country well. He loved the Lord and his family dearly, especially his wife, Peggy. Don served the Lord as a musician, singer, music/choir leader, teacher, deacon and pastor for a many years.*

*I have spent hundreds of hours conversing with Don on many subjects, especially on the Bible and theology. Don was a wise man on various subjects. Don preached revivals for us and so much more. Don had educational degrees and life experiences that helped enhance his service to the Lord and to people. Don was a great man of the Faith. He will always be remembered and loved by many. He and Peggy and their families are in our prayers.....We look forward to seeing Don in heaven in God's timing. We love you Don. We love you Peggy and your family. The good memories of great years will give us continued joy until we meet again up above. I John 3:14.*

“ You were a huge part of my upbringing and baptized me at the age of 9. I remember many things about you.. your singing, your awesome piano skills, and even your laugh. You always gave great hugs goodbye as we left service on Sundays. I know you are whole and healed at Jesus' feet. I will meet you there someday!! Love you always!
