“ *We love Don & Sandra so very much! I still can't wrap my brain around this! We saw him @ Applebee's on Veterans Day & got our last hug. Always fun stopping by when we were out walking in the neighborhood or driving by. I'm not usually one to stop & talk to people I don't know, was always kind of shy, but I did one day right after we had put a contract on the house - felt like we'd known each other all of our lives! They're just so easy to talk to. He will absolutely be missed by all of us, pretty sure they know everyone in Grand Park! ❤️ 🙏 ENJOY HEAVEN, your new, healthy body & Jesus Don! Maybe Jesus will come back quickly & we can all be together again! Love & prayers for Sandra & your beautiful family. Bobby & Dawn ❤️*

“ *Donald was such a kind and giving soul. He always welcomed me with open arms, I loved sitting on the porch with him and your Mom. We had a lot of serious talks, and a lot of laughter together. R.I.P. my dear friend. You are so missed!*

“ I went to school with Donald from the 10th grade through the 12th grade. Donald was special. He had a big heart, and would always help someone that needed something. I remember when he got his white 1957 Chevy. It had red interior. It was a beautiful car. If you wanted to ride in it, you had to brush your shoes off before you could get into it. Donald wanted it spotless.

“ Donald was a cousin, neighbor, and friend. We loved him dearly and hated when they moved. He loved his family, Sandy, Tina and David, Max, and the two new babies. He will be greatly missed by both of us. Love for Joe and Tinette.
